

Accessories (File Cabinets)

You have many options to customize your FireKing® cabinets. You can add security features as well as accessories that will help you tailor your cabinet to your document types.

Note: Some accessories and options may not be available on certain Filing Cabinets.

< Casters

Make your FireKing® file cabinet portable with a caster base.

< Cross Tray

Cross trays sit horizontally or vertically across a standard file drawer and are great for storing small items, cards, checks, etc.

< Inner Drawer

The inner drawer accessory fits inside standard file drawers and comes complete with glide rails for smooth operation. Factory installed.

< Document Inserts

Opt for document inserts and provide a convenient way to file various nonstandard size documents, a top inner drawer (factory installed) or section inserts with 1 to 6 sections.

< File Lock Options

Electronic locks are available for most FireKing® file cabinets. Specify one e-lock for the cabinet or order your file with e-locks on each drawer. (Not available on Turtle®, Patriot by FireKing® Files or FireShield®.)

Accessories (Storage Cabinets)

You have many options to customize your storage cabinets. You can add accessories that will help you tailor your cabinet to meet your needs.

< Letter Size End Tab Filing

Store end tab files with adjustable and modular end tab filing shelves for easy, at a glance records archiving.

< File Drawer

Our modular file drawer comes in either a legal configuration, storing two rows of legal size folders side by side, or letter configuration, holding letter size folders in a single row.

< Pull Out Shelf

Create a convenient tabletop workspace in seconds with the pull out tray. It's sturdy enough to act as a writing surface, and discreet enough to slide out of the way when not in use.

< Blueprint Holder

Organize, store and access blueprints quickly with this convenient accessory. Blueprints are stored unfurled and upright so that designs and schematics are stored for easy access and protection.

All FireKing filing cabinets are manufactured in New Albany, Indiana, USA.
