

BF® SERIES SECURITY SAFES

U.L. LISTED FIRE RATED BURGLARY SAFES

The American Security® BF® SERIES offers a unique design that combines all the security features of a burglary safe and the peace of mind achieved with a fire safe. The industry's first U.L. Listed, fire-rated burglary safe offers an affordable solution when burglary and fire protection are an essential part of your buying decision!

During Underwriter's Laboratories grueling testing procedures, the BF SERIES earned the U.L. Listed Class 350°F One Hour Fire Label and the (RSC) Residential Security Container Burglary Label.

FEATURES

- **INTUMESCENT DOOR SEAL:** When the intumescent seal is exposed to high temperature (above 250°F), it expands to as much as 8 times its original thickness. In this expanded or reactive state, it has very high thermal insulating capacity and resistance to breakdown. This provides a strong positive seal between the door and body, preventing heat influx
- U.L. 1-Hr. 350°F fire rating. Tested at temperatures up to 1700°F (Except BF3416)

- ETL certified 60-minute fire protection on BF3416

DOOR

- Dual seal design utilizes a silicone foam seal with a heat-expanding Palusol intumescent seal
- U.L.-listed Group II lock with spring-loaded auxiliary relock device
- ¼" heavy duty carburized hardplate

BODY

- 2½" thick, consisting of ½" outer and inner steel plates creating a burglary resistant structure enclosing a unique proprietary fire resistant material
- Three massive 1" diameter solid steel chrome plated locking bolts. A full length dead bar locks deep into the body preventing door removal during a forced entry attempt
- Heavy duty steel hinges provide easy smooth door operation
- One recessed anchor bolt hole and mounting hardware are provided to securely anchor safe
- Plush velour interior
- BF1512, BF1716, BF2116 have one shelf. BF3416 has two shelves.

- Attractively accented with a brass, chrome or black nickel handle.
- Available in several durable and attractive textured or high gloss finishes
- Optional electronic locks are available. See page 51.
- Optional storage cabinets available on models BF3416 and BF1716. See page 40.
- Optional BF Safe Pedestals available. Designed to carry weight and be secure, these heavy-duty risers place your "BF" security safe at a convenient height
